

# Instructions for using the ePortfolio

In the mobile version, you will access by using either the QR code or the link and enter the ePortfolio password provided to you.

The screenshot displays the mobile interface of the ePortfolio system. At the top, there is a red navigation bar containing the HAW logo on the left and a user profile icon on the right. Below the navigation bar is a search bar. The main content area is divided into a grid of items, with a red sidebar on the left. At the bottom of the screen, there are three sections: a QR code on the left, a central text area with a 'Log out' button, and a red button with a white arrow on the right.

## Text 1: The Impact of Climate Change

The world is experiencing rapid climate change, with significant impacts on the environment and human society. Rising temperatures, melting glaciers, and sea level rise are just some of the consequences. Scientists warn that if we do not take action, the effects will be catastrophic. We must reduce our carbon footprint and transition to renewable energy sources. This is not just an environmental issue, but a global challenge that requires immediate attention and cooperation from all nations.

## Text 2: The Role of Technology in Modern Society

Technology has revolutionized the way we live, work, and communicate. From smartphones to artificial intelligence, technological advancements have brought about unprecedented convenience and efficiency. However, there are also concerns about privacy, job displacement, and the digital divide. It is essential to harness the power of technology responsibly and ensure that its benefits are shared equitably. Education and digital literacy are key to preparing the workforce for the future.
